

Zell/Lurie Real Estate Center at the Wharton School

WHY BECOME A MEMBER?

The mission of the Zell/Lurie Real Estate Center focuses on research, educating future industry leaders, industry outreach and professional development. Our professional and academic success is based on support from prominent industry leaders who constitute our membership. Member contributions support research into domestic and global property markets, help train our students to be future leaders of the real estate industry, and help provide various programs for our industry supporters.

We view one of our key roles as being a convener of events at which people can freely discuss the pressing topics of the day and of the future. These meetings are superb networking opportunities that attract hundreds of top real estate professionals and feature discussions on key issues facing the industry. Zell/Lurie members enjoy a special relationship with our students—they mentor them as part of our Career Mentor Program and engage in discussions with them during small group lunches.

We offer two types of membership:

SUSTAINING MEMBERSHIP

Sustaining Membership involves a tax deductible contribution of \$7,500 per year. Sustaining members may add Associate Members from their firms for \$500 each per year. They may also invite up to three guests from outside their firms to most of our events. If you decide to become a Sustaining Member, you and your Associate Members will attend our Fall and Spring Members' Meetings at no additional cost.

RESEARCH SPONSOR MEMBERSHIP

Research Sponsor Membership involves a tax deductible contribution of \$15,000 per year. Our Executive Committee Members are selected from within our prominent pool of Research Sponsors. Research Sponsors may add Associate Members from their firms for \$500 each per year, and may invite up to five guests from outside their firms to most of our events. If you decide to become a Research Sponsor, you and your Associate Members will attend our meetings at no additional cost.

Research Sponsor Membership

WHY BECOME A RESEARCH SPONSOR?

Our Research Sponsors provide added support for our core missions. Their financial support is essential to our attracting and retaining the very best faculty at Wharton to educate the future leaders of the industry and to ensure that our dynamic research agenda encompasses topics of interest to those on the profession's front line. They also support and help plan the Zell/Lurie Center's annual meetings—the preeminent gatherings for real estate leaders.

ACCESS TO EXCLUSIVE PROGRAMMING

Research Sponsors take part in select small group programs — roundtable discussions, special lectures, and purely social events — with some of the nation's most influential leaders. Previous guests include Joshua Harris of Apollo Global Management, New York Islanders' Owner Jon Ledecky, New York's Mayor Michael Bloomberg, Governor Chris Christie, Jamie Dimon, David Bonderman of TPG Capital, architect Robert A.M. Stern, James Seppala of The Blackstone Group, Léon Bresler of Aermon Capital LLP, CNN's Fareed Zakaria, Senator Marco Rubio, Michael J. Cavanagh of the Comcast Corporation, Professor Jacques deLisle from the University of Pennsylvania, and Sam Zell. Research Sponsors gather annual for exclusive dinner events before the Members' Meeting.

Research Sponsors gathered at Aquavit in New York City on April 10, 2023. The dinner featured a conversation with Jon Gray, President and Chief Operating Officer of Blackstone, and Roy March, Chief Executive Officer of Eastdil Secured. In addition to meeting in the Spring, on November 6, 2023 Research Sponsors met at Gabriel Kreuther Restaurant in New York. The dinner featured a conversation with Hamid R. Moghadam, Co-Founder, Chairman and CEO of Prologis, and David O'Connor, Board of Directors, Prologis.

Prior to this year's Fall Members' Meeting, Research Sponsors dined at the Pennsylvania Academy of Fine Arts in Philadelphia. This year's dinner included a talk by Bilge Yilmaz, Wharton Private Equity Professor; Professor of Finance; Academic Director, Harris Family Alternative Investments Program, The Wharton School.

UNIQUE RELATIONSHIPS WITH OUR STUDENTS

Research Sponsors enjoy a special relationship with Wharton students. In addition to the opportunity to connect with students through the Career Mentor Program, and through access to the online student resume book, only Research Sponsors are invited to participate in the Ballard Executive Visitor program. Each year, the Center invites 10 to 15 Research Sponsors to come speak with our students from the five Penn real estate clubs (Wharton MBA, Wharton Undergraduates, Penn Carey Law School, Weitzman School of Design, and PSWiRE).

The speaker and students talk over an informal lunch provided by the Center. Afterwards, the speaker typically offers office hours to individual students who meet with the professional for one-on-one sessions of 10 to 20 minutes. These lunch meetings provide lasting value to our Research Sponsors and to our students.
