EXPERIENCE

THE RELATED COMPANIES

New York, NY
Summer 2019

NY Development – Summer Associate

- Managed underwriting and yield analysis model for refinancing of 185K SF residential asset owned by an educational institution. Created full Request for Proposal submission to NYC Housing Preservation and Development for funding.
- Organized stakeholder support for closing of a \$35M 75K SF affordable and supportive residential project. Created detailed budget analysis to ensure underwriting accuracy and due diligence adherence.
- Underwrote potential 700k SF mixed-use and affordable site by building pro forma, conducting highest and best use analysis, analyzing detailed development costs, and running a site feasibility study.
- Created market analysis for 270K SF market rate residential development. Participated in progress review and design meetings with architects to inform design and pro forma.

SEAL TEAM SEVEN

San Diego, CA
2011-2014/2015-2018

SEAL Platoon Commander

- Directed 90 international team members and \$135M of military aircraft and vessels during diplomatic training exercises in Thailand and Australia. Strengthened allied partners' response to pertinent regional security concerns.
- Formed a new team of 17 SEALs, developing team culture, setting policy, and creating operational strategy. Instituted mentorship and development programs for junior sailors to acquire proper skills and knowledge resulting in five promotions.
- Led 10-person cross-functional team overseeing all administrative, logistical, and operational support on counter narcotic operations in SE Afghanistan seizing \$2M+ of illicit drugs. Trained and supported 15-person team of Afghani peacekeepers managing \$120k+ of funding and supplies.

NAVAL SPECIAL WARFARE UNIT - THREE

Manama, Bahrain
2014-2015

Director of Operations and Planning

- Organized and led inaugural planning team of senior directors from eight European nations, centralizing coalition planning efforts in Iraq. Drafted first Special Operations Forces (SOF) supporting plan to the U.S. counter-Islamic State strategy and provided initial guidance and direction to 400+ international warfighting and support personnel. Hand-picked by highest ranking SOF leader in Iraq due to previous experience and qualifications.
- Supervised and coordinated management of \$1.5M in operations budget for 24-person department spread across six Arabian Gulf ally nations to strategize, plan, and run cooperative security training events.
- Supported 350+ personnel with logistical and staffing solutions, reducing operating costs by 14% from previous years without loss of operating efficiency.
