Education

Master of Architecture, University of Pennsylvania, Philadelphia, PA Expected in 2020

- Certificate in Real Estate Design and Development
- 2nd Prize in Schenk-Woodman Competition

B.S. Architectural Studies, University of Utah, Salt Lake City, Utah 05/2017

- Capstone Scholarship
- Dean's List

Relevant Experience

Woods Bagot, Student Internship, San Francisco, CA 06-08/2019

- Joined design charrette for CoMotion LA to design future transportation housing
- Built a 120,000 sqft physical model at scale 1":16' with another intern.
- Made diagrams and a study model for Jakarta masterplan
- Assisted senior architects to design and render facades of a 20-story office building

Hollwich Kushner, Academic Externship, New York City, NY 03/2019

- Assisted architects to develop architectural facades of a 530,000 sqft mix-use building
- Collaborated to design and model 3D environmental context and interior for rendering

Clark Nexsen, Student Intern, Virginia Beach, VA 05-08/2018

- Assisted a senior architect to make 3D models in SketchUp and prepare documents for the presentation to clients, which turned out to be satisfying.
- Collaborated with other interns on designing and fabricating a project at human scale for elementary students at the dance school.
- Worked with other interns to build a 52,000 sqft building model at 1"=6' scale.
- Assisted a planner with planning 4 manufacture buildings and a pier

Jun Yuan Architecture, Summer Internship, China 08/2016

- Drafted 5 floor plans of residential buildings by using AutoCAD
- Helped to transform two floor plans of AutoCAD drawing into Revit model
- Utilized Vray and Photoshop to render 2 images, and organized documents

Architectural Technical Skills

Rhino 3D	SketchUp	Revit	AutoCAD	ArcGIS
Photoshop	Illustrator	InDesign	V-Ray	KeyShot
Hand-Cutting	Laser-Cutting	3D Print	Spray-Paint
