EDUCATION

University of Pennsylvania, Stuart Weitzman School of Design Philadelphia, PA
Master of City Planning, Concentration in Public-Private Development Sep 2020 - present

Boston University, College of Arts and Sciences Boston, MA
Bachelor of Arts in Architectural Studies Jan 2017
• GPA: 3.37/4.0; Sigma Alpha Lambda, National Leadership and Honors Organization; London and Paris: Architecture and Urbanism Program (May-July 2015)

RELEVANT EXPERIENCE

Budget Office, City of Philadelphia Philadelphia, PA
Senior Program Evaluation Analyst Dec 2019 - Aug 2020
Program Evaluation Analyst Jan 2017 - Dec 2019

- Project-managed and coordinated the publication of the City's Five Year Financial and Strategic Plan (prepared department narrative call; coordinated departmental chapter submissions; edited, revised, and vetted language; wrote non-departmental chapters; etc.)
- Collected and cleaned data quarterly from 500+ performance measures (created customized Excel templates, tracked submission, etc.; produced Service Delivery and Leave Usage reports in the QCMR.
- Researched and analyzed policies and best-practices for specific topics, issue areas, and trends from other cities to ensure the City's strategic initiatives and practices aligned with emerging trends of comparable cities (i.e. program-based budgeting, performance measurement, departmental overtime spending, staffing levels, property value analyses, Community College funding, etc.)
- Analyzed and manipulated budget, Census, and Bureau of Labor Statistics data in Excel for various reports and publications.

Montgomery County Planning Commission (MCPC) Norristown, PA
Planning Intern May - Aug 2016

- Conducted Jenkintown parking study with 3 MCPC staff members to address the borough's parking needs and inform economic development proposals for their comprehensive plan, Jenkintown 2035.
- Created parking map in ArcMap 10.2; Maintained Excel spreadsheets to document and track inventory, time limits, regulations/permitting, etc.; Executed parking occupancy observations and calculated effective parking supply/adequacy using Excel.
- Mapped Spring Mount trails obscured from orthoimagery to supplement MCPC's trail network inventory using ArcGIS Online, ArcGIS field app, and digital photography.

Boston Planning & Development Agency Boston, MA
Housing Compliance Intern Sep - Dec 2015

- Created and maintained entries in MS Access database of current tenants and new affordable units.
- Tracked Inclusionary Development Program contributions and development projects with affordable housing agreements through Planning Board memoranda, project proposals, and other publications.
