WORK EXPERIENCE

Onion - Bangkok, Thailand

June 2024 - August 2024

Architectural and Project Development Intern (seven weeks)

- Conducted precedent research for the first luxury hotel on Koh Jum, Krabi, ensuring comprehensive market analysis
- LSpearheaded and designed final facade iterations for the Central Central project at the old Scala site, creating both digital and physical renderings for client presentations
- Performed site visits to King's College International School Bangkok, generating detailed reports addressing final design concerns for review to ensure client satisfaction

The Fem-First Project - Northern Thailand

May 2019 - August 2021

Co-Founder (summer)

- Founded a charity where feminine sanitary products are donated and menstrual education is provided to young people in Northern parts of Thailand
- Conducted the development of the school and in particular the building of its English department
- Arranged four in-person forums and questionnaires to publicly speak and engage with topics concerning menstruation and period poverty

A49 Architects 49 Limited - Bangkok, Thailand

July 2020 - August 2020

Architectural Intern (three weeks)

- Utilised computer-aided design software systems to create blueprints and 3D-models
- Became a correspondent to parallel firm, P49 Deesign and Associates, to relay material information required for interior development
- Conducted site visits to the Quintara Treehaus Sukhumvit 42 with Eastern Star Real Estate clients to help overlook project in completion phase

P49 Deesign and Associates - Bangkok, Thailand

August 2020 - September 2020

Interior Design Intern (three weeks)

- Led a total of 2 brainstorming sessions per week for on-going projects and helped systematise design materials in preparation for presentations
- Prepared and introduced an interior design proposal for a parallel project with A49 Architects

A49 Architects 49 Limited - Bangkok, Thailand

June 2019 - July 2019

Architectural Intern (six weeks)

- Partook in site visits to the Villa Deva Resort and Hotel's construction site in completion phase and Quintara Treehaus Sukhumvit 42 in developmental phase, completed in 2020

- Lead three 'youth' brainstorming sessions for projects in-progress

The Chiang Rai Project - Chiang Rai, Thailand

August 2017 - August 2019

Founder and Volunteer (two weeks, summer)

- Travelled to Chiang Rai, Mae Chan District, and taught a class of 40, students from ages 7-11, English
- Arranged Ban San Kong School's first Sports-Day and overlooked the all events while organising activity groups for rest of volunteers
- Designed worksheets and games, utilised as teaching material in classes
